 (Filed January 10, 1992)

O P I N I O N

The Compliance and Enforcement Branch (Branch) of the Transportation Division advises that President Moving Company (President), a California corporation, is no longer in the trucking business. President's household goods permit was revoked effective April 7, 1992 for failure to maintain adequate insurance on file. Branch recommends that this proceeding be dismissed, subject to the condition that, if President seeks to reinstate its operating authority, or if it seeks new operating authorities, the issues raised by this Investigation, including the potential fines sought herein, must first be resolved. We concur.

IT IS ORDERED that:

1. This proceeding is dismissed, subject to the condition that, if President Moving Company, a California corporation, seeks to reinstate its operating authority, or, if it seeks new operating authority, the issues raised in this proceeding, including the potential fines sought herein, must first be resolved.

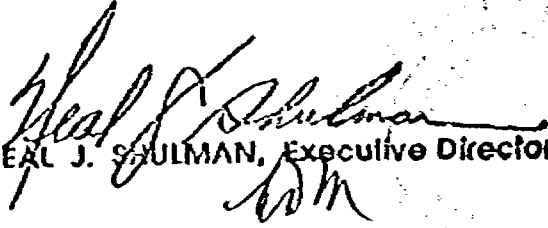

2. This proceeding is closed.
This order becomes effective 30 days from today.
