Decision 92 09 090

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Samia A. Shabaan,
dba EZ Way Out Shuttle Service, to
reflect amendments requesting
authority to operate as a passenger
stage corporation between points in
Contra Costa, Alameda, San Joaquin,
San Mateo, and San Francisco
counties, including San Francisco
International Airport.

ORIGINAL

Application 91-09-042
(Filed September 23, 1991;
amended October 4, 1991
and February 7, 1992)

ORDER OF DISMISSAL

EZ Way Out Shuttle Service, having advised the Commission that it is not prepared at this time to substantiate that the public convenience and necessity requires establishment of its proposed passenger stage corporation service between the San Francisco International Airport and hotels designated in its application, proposed service protested by SFO Airporter Inc., has requested in writing that that portion of its application in the captioned proceeding be dismissed.

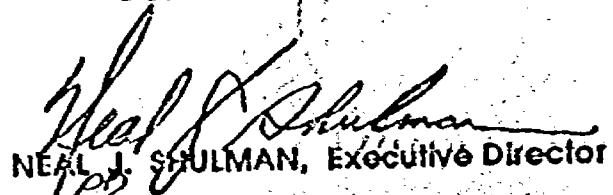

Therefore, IT IS ORDERED that that portion of Application 91-09-042 requesting additional authority to provide scheduled service between the San Francisco International Airport and designated hotels in San Francisco is dismissed without prejudice. This closes Application 91-09-042.

This order is issued under Public Utility Code § 308 and Resolution A-4638.

Dated SEP 17 1992, at San Francisco, California.
