OPINION

**ORIGINAL**

Pursuant to Rule 43 of the Rules of Practice and Procedure, the Division of Ratepayer Advocates (DRA) petitions to correct an error in Decision (D.) 92-07-060 issued on July 22, 1992. In the text of the decision, at page 2, reference is made to "a long-term lease." The correct reference should be to "an easement." No party objects to DRA's petition to modify the decision.

ORDER

IT IS ORDERED that:

1. The petition to modify D.92-07-060 is granted.
  2. D.92-07-060 is modified to correct the last sentence of the text at page 2 to read as follows: "The utility's arrangement in an easement to continue operation of booster pump facilities on the property appears to benefit ratepayers, DRA states, although it continues its investigation of costs of relocating one of the pumps."
  3. This petition to modify is closed.
- This order is effective today.
