and Necessity as a highway common )  
carrier. )

Application 60625  
(Filed June 3, 1981)

ORDER OF DISMISSAL

Subsequent to the filing of this application, the legislature passed Senate Bill 1122, to become effective January 1, 1982. The law eliminates the historical prohibition against dual operations, both as a highway common carrier and as a highway permitted carrier, of the same commodities between the same points.

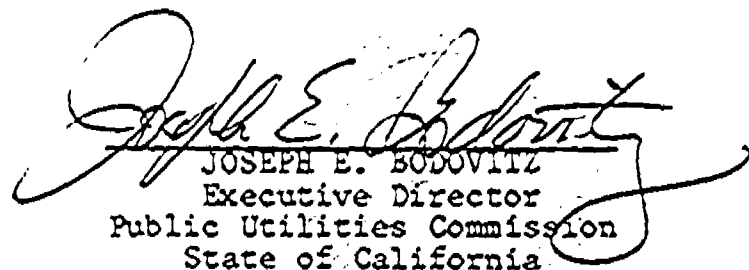

As a result of this change in the law, it is no longer necessary for the applicant in this proceeding to revoke its common carrier certificate in part.

Upon written request of the applicant's attorney, IT IS ORDERED that Application 60625 is dismissed.

This order is issued under Public Utilities Code Section 308 and Resolution A-4638.

This order is effective today.

Dated January 5, 1982, at San Francisco, California.

  
JOSEPH E. BODOVITZ  
Executive Director  
Public Utilities Commission  
State of California
