sell and convey to the latter)
certain water facilities, known)
as the Willits Water System, in)
accordance with the terms of a)
contract dated December 28,)
1979.)

Application 59792
(Petition for Modification
filed October 7, 1981)

ORDER MODIFYING DECISION

Decision (D.) 92921 entered on April 21, 1981, authorized the sale of Pacific Gas and Electric Company's (PG&E) Willits Water System to Clifford and Kathryn Horn. Ordering Paragraph 6 provided that:

"On or before the end of the third month after the date of the actual transfer purchaser shall cause to be filed with the Commission, in such form as it may prescribe, an annual report covering the operation of seller for the period commencing with the first day of the current year to and including the effective date of transfer."

PG&E filed a Petition for Modification which alleges that the transfer was consummated on June 5, 1981. PG&E's normal accounting period concludes at the end of the calendar year. Unnecessary extra expense would be incurred if the report is required in accordance with Ordering Paragraph 6. The Commission staff has no objection to extending the time in which to file the report to coincide with PG&E's normal reporting time.

The Commission finds and concludes that the petition should be granted and the ensuing order be made effective on the date of issuance.

IT IS ORDERED that Ordering Paragraph 6 of D.92921 is deleted and in its place is substituted the following Ordering Paragraph 6:

6. On or before March 31, 1982 purchaser shall cause to be filed with the Commission, in such form as it may prescribe, an annual report covering the operation of seller for the period commencing with the first day of the year in which the transfer occurred to and including the effective date of transfer.

In all other respects D.92921 shall remain in full force and effect.

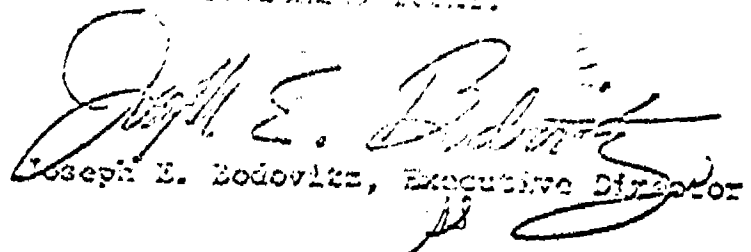

This order is effective today.

Dated JAN 5 1982, at San Francisco,
California.
