ORDER GRANTING REHEARING OF DECISION 93717

Application for rehearing of Decision (D.) 93717 has been filed by Valley Commuter Association. We are of the opinion that good cause for granting rehearing has been shown. Therefore,

IT IS HEREBY ORDERED that rehearing of D.93717 is granted. Rehearing is limited to the following issues. First, the question of whether VCA is providing "proprietary carriage" to its members and is thus exempt from this Commission's jurisdiction must be addressed. Second, the Commission will address the issue of whether Com-Bus has complied with D.93717 by fully restoring service over Route 4, and if so, whether such services would continue in the event the Commission concludes it has no jurisdiction over VCA.

Because these issues are interwoven throughout A.60884, C.11020 and C.11026, these proceedings remain consolidated for the purpose of addressing the issues set forth above and to dispose in final form all issues addressed in D.93717.

Rehearing is to be held before such Commissioner or Administrative Law Judge at such time and place as shall hereafter be designated.

The Executive Director is directed to cause notice of the rehearing to be mailed at least ten (10) days prior to such rehearing.

This order is effective today.

Dated JAN 19 1982, at San Francisco, California.
