Application 60214
(Filed January 26, 1981)

ORDER OF REVOCATION

By Decision (D.) 93219, dated June 16, 1981, William Ross Hays (Hays), doing business as Orange County Tours, was granted a certificate of public convenience and necessity (PSC-1168) to transport passengers on three sightseeing tours in the Orange County area.

Paragraph 2 of the decision required Hays to file tariffs and timetables and to establish the service within 120 days. The decision additionally required Hays to comply with General Order 101 (insurance requirements) and the California Highway Patrol (CHP) safety rules.

By letters dated June 22, 1981, the Commission staff advised Hays to file a written acceptance, tariffs, timetables, certificate of insurance, and equipment list for safety inspection by the CHP. Hays was informed that he had until October 14, 1981 to file the required documents.

Hays, in a letter dated July 6, 1981, accepted the certificate granted by D.93219, and indicated that he might be late in filing the tariff and timetable.

The Commission staff wrote Hays on October 29, 1981 and again on November 24, 1981, requesting that the required documents be filed. Hays has not responded to the letters, and has not filed a certificate of insurance, tariffs, timetables, and equipment list.

It appears, and the Commission finds, that these matters constitute good cause for the revocation of the certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked.

IT IS ORDERED that the certificate of public convenience and necessity (PSC-1168) granted to William Ross Hays by D.93219 is revoked on the effective date of this order.

The Executive Director shall mail a certified copy of this order to:

This order becomes effective 30 days from today.

Dated FEB 4 1982, at San Francisco, California.
