Application 60984
(Filed October 15, 1981)

ORDER CORRECTING CLERICAL ERROR

By Application (A.) 60984, Devine & Son Trucking Co.

(Devine) seeks authority to exclude the transportation of fresh fruits and vegetables from its highway common carrier certificate issued under Public Utilities Code Section 1063.

By its Petition for Modification of Decision (D.) 92728 in A.59895, Devine requested simplification of the restrictions in its certificate. D.93502 authorized that modification. However, an exclusion of fresh fruits and vegetables in the revoked certificate was inadvertently omitted from the in-lieu certificate.

A.50984 T/DL/BW/WPSC

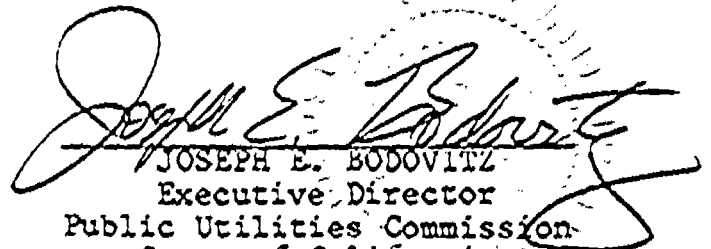

The necessary correction should be made by this order and Appendix A of D.93502 should be amended accordingly.

IT IS ORDERED that D.93502 is amended by substituting the attached First Revised Page 13 of Appendix A for Original Page 13.

This order is issued under Resolution A-4661.

This order becomes effective 30 days from today.

Dated March 2, 1982, at San Francisco, California.
