(Filed September 29, 1981)

O P I N I O N

By Resolution 18135 dated September 1, 1981, the highway carrier operating authority (highway contract carrier permit and household goods carrier permit) of applicant was ordered suspended as of October 1, 1981, and revoked as of October 31, 1981, unless prior to the dates of suspension and revocation applicant produced its records covering the period March 1, 1981 through May 12, 1981, for examination by representatives of the Commission's Transportation Division.

The resolution further provided that with respect to the household goods carrier permit, applicant could request a hearing prior to the suspension and revocation dates, in which event the suspension and revocation would be stayed. The resolution was effective the date of signature (September 1, 1981).

By letter dated September 18, 1981, applicant requested a hearing in this matter. The letter stayed the suspension and revocation of the household goods carrier permit. By terms of the resolution, applicant's highway contract carrier permit was suspended October 1, 1981, and revoked October 31, 1981.

On December 28, 1981, the Principal of the Compliance and Enforcement Branch of the Commission's Transportation Division advised that applicant produced its records for examination by the staff on November 12, 1981.

On December 1, 1981, we decided a similar matter, Decision 93881 (Application 60913), wherein we outlined how we intended matters of this type be handled in the future. We need not repeat said intention here.

Under the circumstances Resolution 18135 should be rescinded. The effective date of this order should be the date of signature so that applicant's highway contract carrier permit is reinstated as soon as possible.

O R D E R

IT IS ORDERED that Resolution 18135 dated September 1, 1981 is rescinded.

This order is effective today.
