 own motion into the determination)
 of a lifeline volume of gas and)
 lifeline quantity of electricity)
 and into gas and electric utility)
 rate structures and the changes,)
 if any, that should be made in)
 presently constituted rate)
 structures to provide a lifeline)
 quantity of energy to the average)
 residential user for specified)
 end uses. (Re Phase II))

Case 9988
 Phase II
 (Filed July 13, 1976)

ORDER DENYING MODIFICATION
 OF DECISION 93586, REHEARING
 OF CASE 9988, AND STAYING OF
 ORDERING PARAGRAPHS 2 AND 3

California Edison Utilities Company tendered a "petition for modification or rescission of order; leave to intervene and petition for rehearing; to reopen case and for hearing of new evidence; and motion for stay of Ordering Paragraphs 2 and 3 of Decision (D.) 93586." Since its filing did not allege legal error in D.93586 we docketed the filing as a petition for modification. The Commission has considered each and every allegation contained in this petition and is of the opinion that good cause for modification of D.93586, rehearing of Case 9988, or the staying of Ordering Paragraphs 2 and 3 of D.93586 has not been shown.

C.9988 ALJ/EA

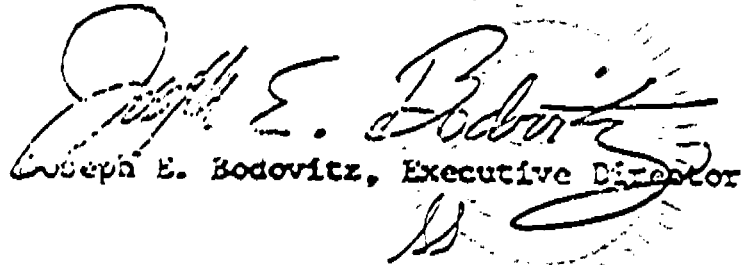

Therefore, IT IS ORDERED that modification of Decision (D.) 93586, rehearing of Case 9988, and the staying of Ordering Paragraphs 2 and 3 of D.93586 are denied.

This order is effective today.

Dated MAR 16 1982, at San Francisco, California.
