BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Suspension and Investigation on the Commission's own motion of tariff filed by Advice Letter No. 223 of California-American Water Company, Village District in Ventura County.

(I&S)
Case 10993
(Filed June 2, 1981)

ORDER EXTENDING SUSPENSION

California-American Water Company (Cal-Am), on April 23, 1981, under Advice Letter 223, filed tariff sheets for extending service to an area not previously served and contiguous to its Village District service area. These tariffs are suspended until June 30, 1982 by Decision 82-02-016.

Cal-Am and protestant, City of Thousand Oaks, stipulate by letter dated February 22, 1982, that the hearing scheduled for March 18 and 19, 1982 be continued for the convenience of both of the parties. The hearing has been rescheduled. Further, Cal-Am, by the same letter, waives the limitation on the period for suspension and agrees to a new suspension date. It is necessary to extend the suspension of these tariffs; therefore,

IT IS ORDERED that the operation of each of the tariff sheets set forth in Advice Letter 223 of California-American Water Company (Cal-Am) is suspended for a further period, to September 30, 1982. ✓

The Executive Director of the Commission is directed to send a copy of this order to Cal-Am by certified mail and to send a copy to the City of Thousand Oaks.

This order is effective today.

Dated APR 6 1982, at San Francisco, California.
