ORDER EXTENDING TIME

Decision (D.) 92933 dated April 21, 1981 in Application 60331 authorized Southern California Edison Company (Edison) to issue, sell, and deliver, on or before April 30, 1982, in one or more series, an aggregate amount of up to \$150,000,000 par or stated value its Cumulative Preferred Stock, \$100 par value; Cumulative Preferred Stock, \$25 par value; Preference Stock, \$100 par value; Preference Stock, \$25 par value; or any combination of them upon the timing and condition as set forth in the application.

Edison, by letter dated March 12, 1982, requests an extension of time within which to exercise its authorization granted by D. 92933.

Under the circumstances, the Commission finds that Edison's request is reasonable and would not be adverse to the public interest. A public hearing is not necessary. The Commission concludes that the request for an extension of time should be granted.

IT IS ORDERED that Southern California Edison Company may issue, sell, and deliver in a manner consistent with this order and D.92933 up to \$150,000,000, par or stated value, of its \$100 Cumulative Preferred Stock, \$100 par value; Cumulative Preferred Stock, \$25 par value; \$100 Preference Stock, \$100 par value; Preference Stock, \$25 par value; or any combination of them, in one or more series, and upon the timing and conditions as stated in Edison's letter dated March 12, 1982 as set forth in this proceeding.
