Case 9902  
 (Filed April 15, 1975)

ORDER MODIFYING DECISION 82-01-62  
AND DENYING REHEARING

Application for Rehearing of Decision (D.) 82-01-62 has been filed by the California Building Industry Association and Neptune Investment Company. We have carefully considered each allegation of error and are of the opinion that good cause for granting rehearing has not been shown. However, upon review it is concluded that D.82-01-62 requires a minor modification. In Appendix A, Page 9, Rule No. 15, C.d., the final paragraph should be worded as follows:

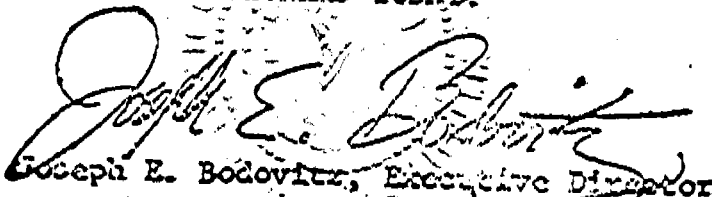

"If an applicant for a main extension contract who is asked to contribute the facilities believes such a request to be unreasonable, such applicant may refer the matter to the Commission for determination, as provided for in Section A.8. of this rule."

Rehearing of D.82-01-62, as modified herein, is denied.

This order is effective today.

Dated APR 8 1982, at San Francisco, California.

I CERTIFY THAT THIS DECISION  
 WAS APPROVED BY THE ABOVE  
 COMMISSIONERS TODAY.
