(Filed March 3, 1982)

ORDER CONTINUING SUSPENSION OF RATE REDUCTION 743

Commission Resolution M-4713 suspended Rate Reduction 743 (RR 743) for 45 days effective March 6, 1982. The suspension will automatically terminate April 19, 1982, and the reduced rate would be due to become effective April 25, 1982. A Petition for Investigation and Suspension was timely filed by Arc Trucking Company, Inc. which, among other things, requests that the suspension be continued pending further investigation. The petition is set for hearing April 28, 1982. For good cause appearing,

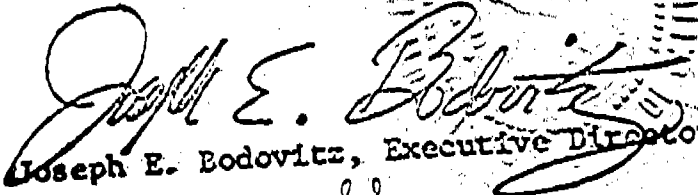

IT IS ORDERED that RR 743 is suspended until final determination of the petition of Arc Trucking Company, Inc.

This order is effective today.
