(Filed March 12, 1981)

ORDER OF DISMISSAL

The United Energy Corp. - E. Ray Inc. submitted a letter, dated February 20, 1981, seeking certain exemptions from the Commission's Decision 92251, as amended, concerning the use of heat for freeze protection in its solar systems. Upon review of this letter, the Commission considered that the subject matter should be submitted as a formal matter, and it was docketed on March 12, 1981 as Application 60345.

The Commission, subsequent to the mailing of this memorandum, has received no written response from applicant. In addition, the ECB on March 10, 1982 sent a letter to applicant requesting a response within 30 days regarding this matter or steps would be taken to dismiss the application. No response has been received to date.

IT IS ORDERED that Application 60345 is dismissed.
