Decision S2 05 064 May 17, 1982

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of 24 HOUR AIRPORT EXPRESS, INC. for authority to increase its Passenger Stage Fares, pursuant (sic) to Section 454 of the Public Utilities Code.

Application 82-02-01
(Filed February 1, 1982)

O P I N I O N

24 Hour Airport Express, Inc. (applicant) provides an on-call, door-to-door passenger stage corporation service (PSC-1043) between Los Angeles International Airport, Orange County Airport, Hollywood-Burbank Airport, Long Beach Airport, and Ontario International Airport, on the one hand, and all points and places in the Los Angeles Metropolitan Service Area, on the other hand. It also holds and operates under charter-party Permit No. TCP-325-P.

Applicant requests authority to increase its present passenger fares by an average of approximately 10.9%. Applicant also requests authority to change its tariffs from zone designation to the actual cities in order to have more flexibility in adjusting fares.

Tables A and B attached to the decision show applicant's present and proposed fares, respectively.

Rule 1(d) of the applicant's present tariff states as follows:

"(d) The base charges set forth in Section 2 of this Tariff includes the transportation of up to 3 persons when picked up at the same time and at the same address. Carrier shall assess a three (\$3.00) dollar surcharge for each additional passenger picked up at that same address and time."

As a portion of the 10.9% average fare increase, applicant proposes to increase the \$3.00 surcharge, as stated in Rule 1(d) to \$5.00.

The proposed fares include a \$3.00 surcharge for one-way fares originating from airports, as provided in Rule 3(a) of Section 1 of the carrier's present tariff. Rule 3(a) therefore will be eliminated if the proposed fares are granted since they include the \$3.00 surcharge.

Applicant alleges that the requested fare increase is necessary to offset the recent increases in its cost of operation.

The present fares were authorized by Decision (D.) 91776, dated May 6, 1980. Also, a \$4.00 fare increase for one-way passengers departing Los Angeles International Airport was authorized in D.82-01-36, dated January 5, 1982, to offset an imposed airport fee by the Los Angeles Department of Airports.

Based on the information contained in the application, the following table shows a summary of the estimated results of operations for the test year ending December 31, 1982, under both present and proposed fares.

	<u>Test Year Ending 12/31/82</u>	
	<u>Present Fares</u>	<u>Proposed Fares</u>
Operating Revenue	\$1,943,000	\$2,144,000
Operating Expenses	1,971,000	1,971,000
Income (Loss) before income taxes	(28,000)	173,000
Operating Ratio before income taxes	101.4%	91.9%

(Red Figure)

As indicated by the above table, applicant's operations in the test year ending December 31, 1982 under its present fares will be at a loss of \$28,000. The proposed fares will result in

an annual gross revenue of \$2,144,000, an annual gross revenue increase of \$201,000, with an operating ratio of 91.9% before income taxes.

Notice of the filing of this application was listed on the Commission's Daily Calendar. Additionally, the Commission staff notified affected public transit district operators of the receipt of this application under Public Utilities Code Section 730.3 and 730.5. No protests have been received and a public hearing is not necessary.

Findings of Fact

1. Applicant seeks authority to increase its passenger fares by approximately 10.9%

2. Applicant's present fares were authorized by D.91776, dated May 6, 1980.

3. Applicant's operation in the test year ending December 31, 1982 under its present fares will be at a loss of \$28,000.

4. The requested fare increase will result in an additional annual gross revenue of \$201,000, with an operating ratio of 91.9% before income taxes.

5. The requested fares are necessary to offset the increases in operating costs and to ensure applicant's continued operations.

6. The fare increase requested is justified.

7. No protests have been received concerning this application, and a public hearing is not necessary.

8. Since applicant is operating at a loss under the present fares, the effective date of this order should be the date of signature.

Conclusion of Law

The fare increase requested is just and reasonable and should be granted.

O R D E R

IT IS ORDERED that:

1. 24 Hour Airport Express, Inc. is authorized to establish the increased fares proposed in Application 82-02-01. Tariffs shall be filed not earlier than the effective date of this order. They may go into effect five days or more after the effective date of this order on not less than five days' notice to the Commission and to the public.

2. The authority shall expire unless exercised within 90 days after the effective date of this order.

3. In addition to posting and filing tariffs, applicant shall post a printed explanation of its fares in its buses and terminals. The notice shall be posted at least five days before the effective date of the fare changes and shall remain posted for at least 30 days.

This order is effective today.

Dated MAY 17 1982, at San Francisco, California.

ORIGINAL

Decision 82 05 064 MAY 17 1982

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application
of 24 HOUR AIRPORT EXPRESS, INC.
for authority to increase its
Passenger Stage Fares, pursuant (sic)
to Section 454 of the Public
Utilities Code.

Application 82-02-01
(Filed February 1, 1982)

O P I N I O N

24 Hour Airport Express, Inc. (applicant) provides an on-call, door-to-door passenger stage corporation service (PSC-1043) between Los Angeles International Airport, Orange County Airport, Hollywood-Burbank Airport, Long Beach Airport, and Ontario International Airport, on the one hand, and all points and places in the Los Angeles Metropolitan Service Area, on the other hand. It also holds and operates under charter-party ~~carrier of passengers~~ Permit No. TCP-325-P.

Applicant requests authority to increase its present passenger fares by an average of approximately 10.9%. Applicant also requests authority to change its tariffs from zone designation to the actual cities in order to have more flexibility in adjusting fares.

Tables A and B attached to the decision show applicant's present and proposed fares, respectively.

Rule 1(d) of the applicant's present tariff states as follows:

"(d) The base charges set forth in Section 2 of this Tariff includes the transportation of up to 3 persons when picked up at the same time and at the same address. Carrier shall assess a three (\$3.00) dollar surcharge for each additional passenger picked up at that same address and time."
