 - c. Is necessary to serve the public.
 - d. Will not impair the ability of presently permitted dump truck carriers to provide adequate service at the lowest possible reasonable rates.
4. Applicant has resided in the State of California for not less than 90 days preceding the filing of the application.
5. A public hearing is not necessary.
6. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
7. The following order complies with the guidelines of the Commission's Energy Efficiency Plan.
