ORDER CORRECTING CLERICAL ERROR

On June 22, 1982, applicant filed a petition for modification of Decision (D.) 82-06-077 (June 15, 1982) stating that the decision incorrectly described a passenger bus tour route. The petition requests immediate revision so that applicant's "Three Bridge Tour" from San Francisco can be operated as desired.

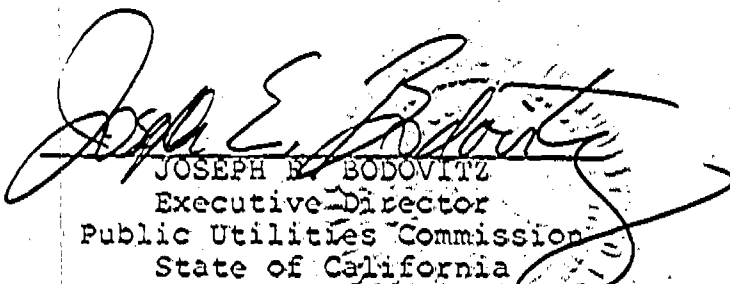

Upon reviewing the petition, the relief requested has been determined to be a proper subject for an order correcting clerical error, which is more expeditious. The effective date of this decision will be today so that applicant can begin operations immediately.

Under Resolution A-4661,

IT IS ORDERED that Appendix A of Decision 93725 (November 13, 1981), as amended, is further amended by replacing First Revised Page 2 with Second Revised Page 2 (attached).

This order is effective today.

Dated June 29, 1982, at San Francisco, California.
