Decision 82 07 058 JUL 7 - 1982

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of San Francisco Air Tours, Inc. for a certificate of public convenience and necessity to operate as a passenger stage corporation between the North Field of Oakland International Airport and the City of San Francisco.

Application 60199
(Filed January 16, 1981)

ORDER OF DISMISSAL

San Francisco Air Tours, Inc. (applicant) seeks authority for a certificate of public convenience and necessity to operate as a passenger stage corporation to provide airport access service between the City and County of San Francisco and the North Field of Oakland International Airport.

On June 5, 1981, the Commission staff wrote a letter to applicant requesting a clarification of the application. This letter was returned by the U.S. Post Office marked "Return to Sender, not deliverable as addressed, unable to forward." On June 16, 1981, the staff sent applicant another letter to the address of ITE, Inc., an organization apparently affiliated with applicant, asking that applicant respond to the June 5, 1981 letter. On September 18, 1981, the Commission received a letter from applicant indicating a third address for San Francisco Air Tours, Inc.

On October 14, 1981, the staff wrote a letter to applicant at the third address explaining, among other items, the requirements that applicant must notify the Commission of any address changes. The letter also requested applicant's telephone number and confirmation of its address.

As of March 8, 1982, the staff determined, by field investigation, that the applicant is no longer at the third address; applicant also has not furnished a forwarding address.

The Commission has received no correspondence from applicant since September 18, 1981.

The Commission finds and concludes that the application should be dismissed for lack of prosecution by applicant.

IT IS ORDERED that Application 60199 of San Francisco Air Tours, Inc. is dismissed without prejudice.

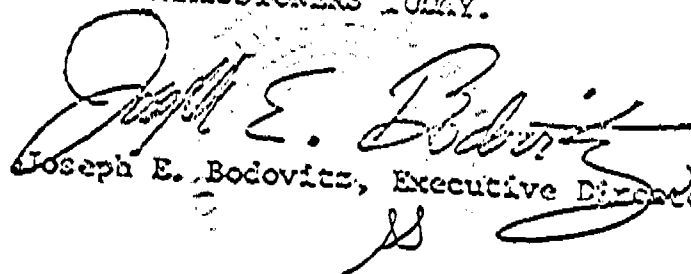

This order becomes effective 30 days from today.

Dated JUL 7 1982, at San Francisco, California.
