4013 SUNSET ASSOCIATES,

Complainant,

vs.

SOUTHERN CALIFORNIA GAS COMPANY  
and PACIFIC LIGHTING CORPORATION,

Defendants.

(ECP)  
Case 82-06-04  
(Filed June 28, 1982)

ORDER OF DISMISSAL

On October 8, 1982 a letter was filed in the Commission's Los Angeles office signed by representatives of all parties to this matter setting forth their agreement to terminate the proceedings.

The agreement is conditioned upon defendant Southern California Gas Company (SoCal Gas) crediting complainant with \$76 as an adjustment to complainant's January 1982 gas bill. SoCal Gas has agreed to this credit in a letter to complainant dated October 7, 1982 and received by the administrative law judge on October 8, 1982.

Complainant has deposited \$511.52 with the Commission. Since that amount is for bills which are not in dispute and all disputed amounts have been resolved upon SoCal Gas' credit of \$76 to complainant, the \$511.52 should be forwarded to SoCal Gas.

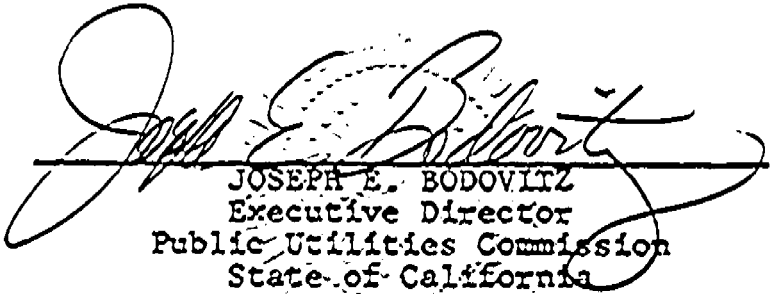

IT IS ORDERED that:

1. Case 82-06-04 is dismissed.
2. Complainant's deposit of \$511.52 shall be disbursed to Southern California Gas Company.

This order is issued under PU Code Section 308 and Resolution A-4638.

This order becomes effective 30 days from today.

Dated November 3, 1982, at San Francisco, California.
