JAN 12 1983

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Suspension  
and Investigation on the  
Commission's own motion of tariff  
filed by Advice Letter No. 850 of  
California Water Service Company.

(I&S)  
Case 82-09-04  
(Filed September 22, 1982)

ORDER VACATING SUSPENSION AND INVESTIGATION

California Water Service Company (CWSC) filed on September 3, 1982 Advice Letter 850 which transmitted tariff sheets for extending water service into an area in Bakersfield in the vicinity of Rosedale Highway and Coffee Road.

The City of Bakersfield (City) protested the filing, claiming that the proposed extension would interfere with the preplanned water service area of City. The Commission accordingly suspended the operation and effectiveness of the tariffs filed by Advice Letter 850 until January 31, 1983.

Subsequent to the suspension, CWSC and City reached an understanding regarding CWSC's proposed extension of service and by a letter dated October 26, 1982 City withdrew its protest.

The cause for the suspension has been removed and the suspension order should be vacated.

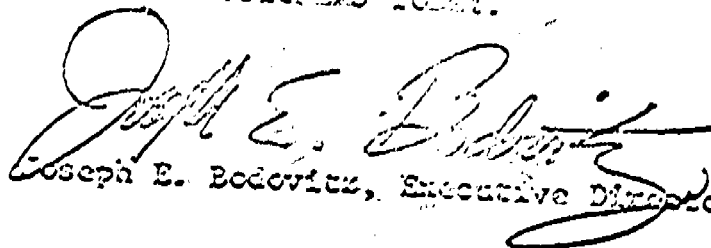

IT IS ORDERED that the suspension order of September 22, 1982 is vacated and this proceeding discontinued.

This order is effective today.

Dated JAN 12 1983 at San Francisco, California.
