ORDER CORRECTING DECISION 82-12-046

On December 8, 1982 the Commission issued Decision (D.) 82-12-046 on the effect of the Economic Recovery Tax Act of 1981 (ERTA) on The Pacific Telephone and Telegraph Company (Pacific). It has come to our attention from our staff, and we find, that D.82-12-046 contains a typographical error, omitted a necessary finding, and requires two changes in the ordering paragraphs to reflect properly the intent of the Commission.

We conclude that D.82-12-046 should be corrected and amended as provided in the following order.

IT IS ORDERED that D.82-12-046 is amended as follows:

1. The figures 1981 and 1982 contained in the first line of the second paragraph of mimeo page 8 are changed to 1982 and 1983, respectively.

2. The following finding is added on mimeo page 17 following present Finding 12:

13. No adjustment in Pacific's rate of return as authorized by D.93367 is required as a result of the effects of ERTA.

3. Ordering Paragraph 3 is changed to read:

3. Under D.93850, all revenues collected by Pacific based on 1981 ERTA allowances shall continue to be subject to refund until such time as the order referred to in Ordering Paragraph 1 is issued.

4. Ordering Paragraph 4 is changed to read:

4. All revenues collected by Pacific in 1982 and thereafter which are subject to post-1981 ERTA adjustments shall continue to be subject to refund until the litigation surrounding the AAA/AA normalization methods is resolved removing all risk of ineligibility for ACRS depreciation allowances provided by ERTA. At that time the Commission shall determine whether an adjustment to the revenue requirements for the years 1982 onward should be ordered as a result of the effects of ERTA.

This order is effective today.

Dated JAN 12 1983, at San Francisco, California.
