ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of J. S. Shafer, Jr.,
for authority to deviate from the
minimum rates established in
Minimum Rate Tariff 17-A for the
transportation of crushed aggregate
base for the account of Best
Western Paving, Inc. under Section
3666 of the Public Utilities Code.

Application 82-08-41
(Filed August 20, 1982)

ORDER OF DISMISSAL

Applicant was granted interim authority by Decision 82-09-101 dated September 22, 1982 to charge less than the minimum rates in Minimum Rate Tariff 17-A for the transportation of crushed aggregate base from Conrock Company in Irwindale to a Los Angeles Harbor project for the account of Best Western Paving, Inc. This authority expired January 20, 1983. Because the harbor project was delayed, applicant has done no hauling under the interim authority.

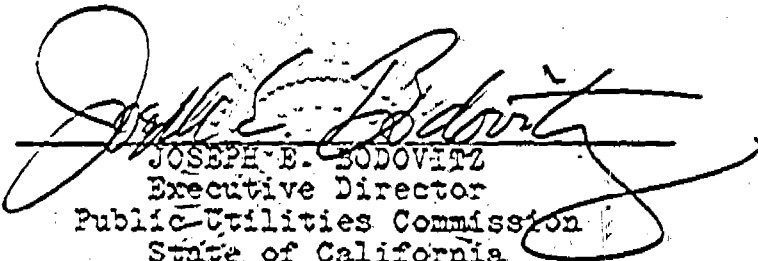

On January 6, 1983 applicant advised that he would not seek an extension of the interim authority and requested that the application be dismissed.

In the circumstances, IT IS ORDERED that Application 82-08-41 is dismissed.

This order is issued under Public Utilities Code §. 308 and Resolution A-4638.

This order becomes effective 30 days from today.

Dated February 2, 1983 at San Francisco, California.
