Application 60331  
(Filed March 9, 1981)

SECOND ORDER EXTENDING TIME

Decision (D.)92933, dated April 21, 1981, in Application 60331, authorized Southern California Edison Company (Edison) to issue, sell and deliver on or before April 30, 1982, in one or more series, an aggregate amount of up to \$150,000,000 par or stated value of its \$100 Cumulative Preferred Stock, \$100 par value; Cumulative Preferred Stock, \$25 par value; \$100 Preference Stock, \$100 par value; Preference Stock, \$25 par value; or any combination of them upon the timing and conditons as set forth in the applica- tion. By order dated April 6, 1982 (D.82-04-019), the Commission extended the authority for one year. The authority granted by D.92933 and D.82-04-019 will expire on April 30, 1983. Edison,

under its letter dated February 25, 1983, requests an extension of time to April 30, 1984.

Under the circumstances, the Commission finds that Edison's request is reasonable and would not be adverse to the public interest. A public hearing is not necessary. The Commission concludes that the request for an extension of time should be granted.

Good cause appearing,

IT IS ORDERED that Southern California Edison Company may issue, sell and deliver in a manner consistent with this order and D.92933, up to \$150,000,000 par or stated value of its \$100 Cumulative Preferred Stock, \$100 par value; Cumulative Preferred Stock, \$25 par value; \$100 Preference Stock, \$100 par value; Preference Stock, \$25 par value; or any combination of them, in one or more series, and upon the timing and conditions as set forth in this proceeding. This authorization is effective through April 30, 1984.

This order is effective today.

Dated APR 6 1983 at San Francisco, California.
