This application was filed on June 25, 1980. It was held until a complaint which involved applicant's sole stockholder was resolved. The assigned administrative law judge wrote to applicant's counsel on March 9, 1983 to advise that a dismissal was pending unless a request to reopen was received within a reasonable time. No reply has been received and the Transportation Division has advised that applicant no longer holds any operating authority from this Commission.

IT IS ORDERED that Application 59762 is dismissed.

This order is issued under Public Utilities Code § 308 and Resolution A-4638.

This order becomes effective 30 days from today.
