ORDER MAKING DECISION 89838  
FINAL AND DISCONTINUING PROCEEDING

By Interim Decision (D.) 89838 issued January 4, 1979, Distance Table 8 was amended to incorporate revised constructive mileages between Auburn and Forestville, Johnsondale and Holey Meadows, Holey Meadows and Quaking Aspen, and Holey Meadows and California Hot Springs. The decision was issued as interim in order for our Transportation Division staff to continue its study of the Quaking Aspen-Johnsondale area when winter snow conditions were not present. The staff study indicated that the revised constructive mileages adopted in the interim order were appropriate. In the circumstances D.89838 should be made final and the proceeding discontinued. Therefore,

IT IS ORDERED that:

1. Decision 89838 issued January 4, 1979 in Case 7024 (Petition 38) is made final.

2. The proceeding in Case 7024 (Petition 38) is discontinued.

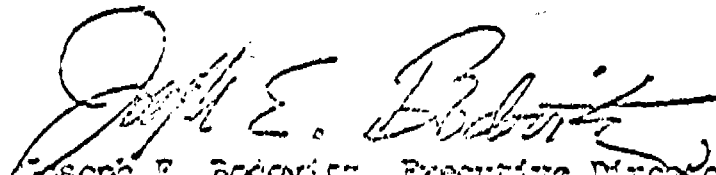

This order becomes effective 30 days from today.

Dated MAY 18 1983, at San Francisco, California.
