ORDER EXTENDING TIME

Decision (D.) 93677, dated November 3, 1981, in Application (A.) 60926, authorized Southern California Edison Company (Edison) to issue, sell and deliver on or before November 3, 1983, in one or more issues, an aggregate amount of up to 8,000,000 shares of Common Stock of the par value of \$8-1/3 per share. The authority granted by D.93677 will expire on November 3, 1983. Edison, by a letter dated September 1, 1983, requests an extension of time to November 3, 1985.

Under the circumstances, the Commission finds that Edison's request is reasonable and would not be adverse to the public interest. A public hearing is not necessary. The Commission concludes that the request for an extension of time should be granted.

O R D E R

IT IS ORDERED that:

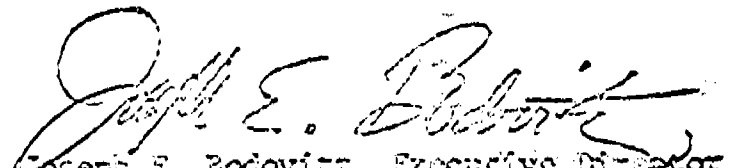

Southern California Edison Company may issue, sell and deliver in a manner consistent with this order and D.93677, in one or more issues, an aggregate amount not to exceed 8,000,000 shares of its Common Stock, \$8-1/3 par value. This authorization is effective through November 3, 1985.

This order is effective today.
