

total \$114,200, leaving a net pretax income of \$60,800. Applicant proposes to operate its two 46-passenger Eagle buses in providing the proposed service.

Findings of Fact

1. Applicant has the ability, equipment, and financial resources to perform the proposed service.
2. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

Conclusions of Law

1. Public convenience and necessity require that the requested authority be issued.
2. Applicant should be authorized to pick up passengers within a radius of 40 miles from its home terminal at 9776 Katella, Anaheim.

O R D E R

IT IS ORDERED that:

1. A certificate of public convenience and necessity, to be renewed each year, is granted to Fun Trip Tours, Inc. authorizing it to operate as a Class B charter-party carrier of passengers, as defined in PU Code Section 5383, from a service area with a radius of 40 air miles from applicant's home terminal at 9776 Katella, Anaheim.
2. Applicant shall:
 - a. Obtain California Highway Patrol (CHP) clearance for each vehicle to be used in this Class B charter-party operation.

- b. Notify the Commission and CHP of any addition or deletion of vehicle(s) used in the service prior to use.
- c. Establish the authorized service within 360 days after this order is effective.

3. The Passenger Operations Branch will issue the annual renewable certificate on Form PE-695 as authorized by Resolution PE-303 when it receives CHP clearances and evidence of liability protection in compliance with General Order Series 115.

4. In providing service under the certificate, applicant shall comply with General Orders Series 98 and 115 and the CHP safety rules.

5. This certificate does not authorize the holder to conduct any operations on the property of or into any airport unless such operation is authorized by both this Commission and the airport authority involved.

This order becomes effective 30 days from today.

OPINION
ORDER

Fun Trip Tours, Inc., a California corporation, seeks a Class B certificate of public convenience and necessity to operate as a charter-party carrier of passengers from a service area with a 40-mile radius from its home terminal at 9776 Katella, Anaheim.

Notice of the filing of this application appeared in the Daily Transportation Calendar on June 28, 1983. There were no protests.

Applicant has been involved in the transportation of passengers by motor vehicles since July 1981 operating under the authority of the Interstate Commerce Commission (MC-165105).

On April 30, 1983 applicant's assets of \$128,200 consisted of \$17,500 in cash, \$4,700 in accounts receivable, \$2,500 in inventory, \$4,500 in other current assets, \$98,000 in motor vehicle equipment, and \$1,000 in miscellaneous assets. Its liabilities of \$39,100 consisted of accounts payable of \$5,600, amounts due on motor vehicle equipment of \$32,000, and other liabilities of \$1,500. Applicant's net capital on that date was \$89,100. Applicant estimates its annual charter revenues will total \$175,000 and its operating expenses will
