BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of Frank C. Miranda for a Class "B" certificate to operate as a Charter Party Carrier of Passengers, Fresno. (File No. B-8.)

Application 59073
(Filed August 16, 1979)

ORDER RESCINDING DECISION 91962

By Decision (D.) 91254 dated January 15, 1980, Frank C. Miranda (Miranda) was granted a certificate of public convenience and necessity to operate as a Class "B" charter-party carrier of passengers. On January 29, 1980, a petition for rehearing of D.91254 was filed by Greyhound Lines, Inc. (Greyhound). By D.91962 dated June 17, 1980 a rehearing was granted by the Commission. The matter was originally set for rehearing on August 18, 1980, in San Francisco; subsequently, because of certain legal issues that had to be addressed prior to the rehearing, the matter was taken off calendar until the legal issues could be determined.

Rehearing in the matter was calendared for October 14, 1983 and was to be consolidated with another application filed by Miranda. On August 23, 1983 written communication was received from Greyhound stating that Greyhound has withdrawn its opposition to D.91254 in A.59073.

Finding of Fact

Greyhound has withdrawn its opposition to D.91254 in A.59073.

Conclusion of Law

Since Greyhound has withdrawn its opposition to D.91254 in A.59073, the rehearing granted in D.91962 dated June 17, 1980 should be rescinded.

IT IS ORDERED that the rehearing granted by D.91962 dated June 17, 1980 is rescinded.

This order becomes effective 30 days from today.

Dated OCT 19 1983, at San Francisco, California.
