ORIGINALCase 82-02-02
(Filed February 5, 1982)ORDER GRANTING LIMITED REHEARING
OF DECISION 83-06-092

A joint petition for rehearing of Decision 83-06-092 has been filed by Southern California Gas Company and Pacific Gas and Electric Company. Because the Commission in Ordering Paragraph No. 4 of D.83-06-092 requires these utilities to take specified action, it is concluded that these utilities are "parties" for purposes of Section 1731 as well as the Commission's Rules of Practice and Procedure. Petitions for modification of D.83-06-092 have also been filed by Southern California Edison Company and San Diego Gas & Electric Company (SDG&E). The Commission has considered each and every allegation contained in said petitions and is of the opinion that good cause has been shown for granting a limited rehearing of said decision. Therefore,

IT IS ORDERED that rehearing of D.83-06-092 is granted, limited to the issue of whether the tariff revision ordered in D.83-06-092 with respect to SDG&E should be extended to other regulated gas and electric utilities. The requirements of this tariff revision as to other regulated gas and electric utilities are suspended pending a decision on rehearing. Rule 53 is waived so as to permit the aforementioned utilities to appear with respect to the issue to be reheard without a formal application for intervention.

Rehearing is to be held before such Commissioner or Administrative Law Judge at such time and place as shall hereafter be designated.

The Executive Director is directed to cause notice of the rehearing to be mailed at least ten (10) days prior to such hearing.

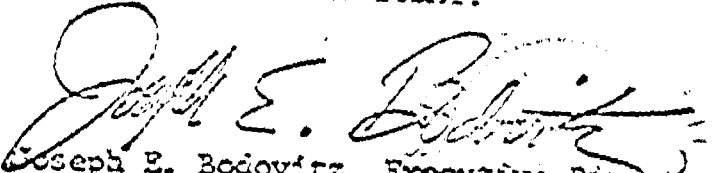

The Executive Director shall serve a copy of this decision on each regulated gas and electric utility in California. This order is effective today.

Dated OCT 19 1983, at San Francisco, California.
