ORDER EXTENDING TIME

Decision 83-10-017 dated October 5, 1983 authorized Sierra Vista Properties, Inc. to acquire all of the outstanding common shares of Little Bear Water Company on or before October 15, 1983. By letter dated October 11, 1983, applicant's counsel requested a 90-day extension for completion of the transfer. A copy of the letter was sent to all parties to Application (A.) 83-04-35 and A.83-04-36. No protests have been received.

Counsel states that consent to transfer must be obtained from the California Department of Corporations. He states that it would be impossible to obtain the consent to transfer in the time allowed from the effective date of the decision.

After consideration of the information contained in the communication received October 13, 1983, we conclude that the request should be granted.

Since the time to transfer the shares has expired, this order should be made effective on the date of signing.

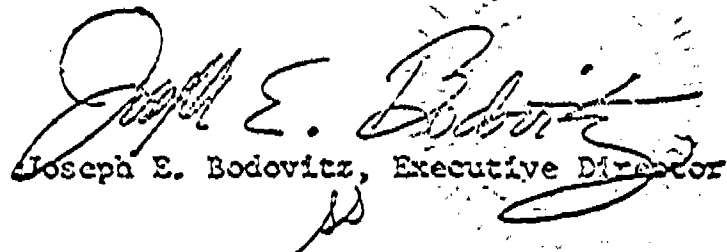

IT IS ORDERED that the date for the sale and transfer of the outstanding shares of Little Bear Water Company to Sierra Vista Properties, Inc. as authorized by Decision 83-10-017 is extended to January 15, 1984.

This order is effective today.

Dated DEC 7 1983, at San Francisco, California.
