Application 58389 ✓  
(Filed October 2, 1978)

ORDER OF DISMISSAL

Southern California Edison Company (Edison) seeks a certificate that public convenience and necessity require it to exercise franchise rights granted by the City of Lancaster. Edison's application was required by former Section 1002 of the Public Utilities Code. However, that section was repealed by Stats. 1979, ch. 1064. Rule 19 of our Rules of Practice and Procedure, which governed the filing of such applications, was repealed effective October 16, 1980.

Since our statutes no longer require the Commission to issue certificates for the exercise of franchise rights, this application should be dismissed.

IT IS ORDERED that Application 58389 is dismissed.

This order is effective today.

Dated DEC 7 1983, at San Francisco, California.
