ORDER OF DISMISSAL

Petitioner California Dump Truck Owners Association (CDTOA) had requested that rates in the Commission's Minimum Rate Tariffs 7-A, 17-A, and 20 be increased in order to give effect to increased fuel costs resulting from increased state and federal fuel taxes experienced during 1983.

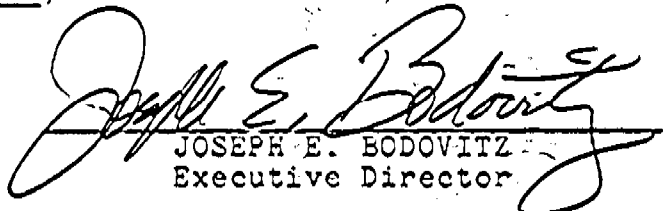

By letter dated November 15, 1983 CDTOA requests that its petitions be withdrawn.

IT IS ORDERED that Petition 317 in Case (C.) 5437, Petition 57 in C.9819, and Petition 21 in C.9820 are dismissed.

This order is issued under Public Utilities Code § 308 and Resolution A-4638.

This order is effective today.

Dated December 20, 1983, at San Francisco, California.
