Decision 83 12 042 DEC 20 1983

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

EDWIN CADD, Complainant, vs. ROGINA WATER COMPANY, Defendant.	Case 10707 (Filed December 26, 1978)

ORDER OF DENIAL

By Decision (D.) 90980 dated November 6, 1979, Rogina Water Company (defendant) was ordered to make refunds plus interest according to its main extension contract. On March 3, 1980, Edwin Cadd (complainant) requested D.90980 be clarified with respect to the receipts from the fire protection district and complainant's entitlement to the difference between the principal payments to date and the total amount of money advanced.

At the request of the assigned administrative law judge, on February 6, 1981 the staff outlined to defendant the options for repayment of the advances. On March 2, 1981 the defendant contacted complainant with a proposal for repayment. On March 6, 1981 complainant accepted defendant's proposal and by copy of the acceptance requested that the complaint be dismissed.

Since the parties have resolved their differences, there is no need for an order of clarification. The application should be denied.

IT IS ORDERED that the application for reconsideration is denied.

This order becomes effective 30 days from today.

Dated DEC 20 1983, at San Francisco, California.
