(Filed September 6, 1983)

O P I N I O N

Leon Joseph Perrault (applicant), doing business as Leon Perrault Trucking, requests a dump truck carrier permit to operate in the counties of San Diego, Riverside, and Orange. Notice of the filing of the application appeared in the Daily Transportation Calendar of September 12, 1983. No protests have been filed.

Discussion

Applicant owns two power units and two trailers. He claims a net worth of \$38,876 of which \$6,000 is cash. His application is supported by three shippers and an overlying carrier. The first shipper will need 48 loads per month, the second 4 loads per month, and the third 60 loads per month. The carrier will need applicant to subhaul 160 loads per month.

Findings of Fact

1. Applicant:

- a. Is a fit and proper person to receive a permit to operate as a dump truck carrier.
- b. Has sufficient operating knowledge and financial ability to initiate and continue the proposed operation.

c. Has demonstrated that the privilege sought:

- (1) Will not endanger the safety of the public or interfere with the public use of the public highways or impair the condition or maintenance of them, directly or indirectly.
- (2) Will not unnecessarily burden the public highways.
- (3) Is necessary to serve the public and will not impair the ability of presently permitted dump truck carriers to provide adequate service at the lowest possible reasonable rates.

2. Applicant has resided in the State of California for at least the 90 days preceding the filing of this application.

3. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

4. The following order complies with the Commission's Energy Efficiency Plan.

5. A public hearing is not necessary.

Conclusions of Law

1. Applicant should be granted a dump truck carrier permit authorizing operations within and between points in the counties of San Diego, Riverside, and Orange.

2. The following order should be effective today to be consistent with other permit grants.
