OII 83-11-05
(Filed November 30, 1983)

ORDER ADDING RESPONDENTS

In this proceeding we ordered that all "service suppliers", as that term is defined in Section 44016 of the Revenue and Taxation Code, are respondents to this proceeding. (OII 83-11-05 dated November 30, 1983.) We attached a tentative list to that order (Attachment II) of respondents.

We find that list should be augmented by Appendix A attached hereto, and further find that all radiotelephone utilities as defined in Division 1, Chapter 5.5, of the Public Utilities (PU) Code should be named respondents. We also find that because of the time constraints put on the Commission by the Moore Universal Telephone Service Act (a decision must be rendered by May 1, 1984) that an unforeseen emergency exists which requires this decision to be issued today without the agenda notification required by PU Code § 306(b).

IT IS ORDERED that:

1. Utilities listed in Appendix A are respondents to this proceeding.
2. All radiotelephone utilities as defined in PU Code Division 1, Chapter 5.5, are respondents to this proceeding.

3. A copy of OII 83-11-05 shall be sent to each respondent listed in Appendix A.

4. The respondents named in Ordering Paragraphs 1 and 2 shall comply with the requirements of Ordering Paragraphs 2 and 3 of the OII issued November 30, 1983 by February 3, 1984.

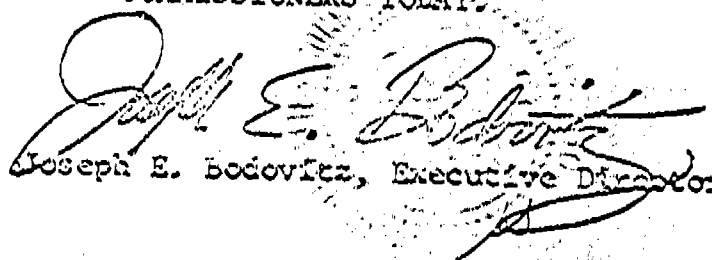

This order is effective today.

Dated January 19, 1984, at San Francisco, California.
