SUPPLEMENTAL OPINION AND ORDER

Decisions Nos. 86507, 86508, 86509, and 86510 dated
 October 13, 1976 authorized increases in the minimum rates named in
 Minimum Rate Tariffs 2, 9-B, 1-B, 19, and 15. Common carriers were
 authorized to file such increases effective no earlier than October
 30, 1976 on five days' notice to the Commission and to the public.

It has come to our attention that delaying the effectiveness
 of such increases may result in undue hardship; therefore, we will
 amend the order to provide for five days' notice only.

Therefore, IT IS ORDERED that:

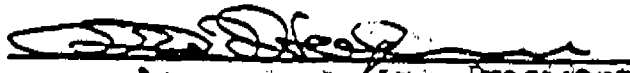

1. Ordering Paragraph 9, Decision No. 86507, Ordering Paragraph 8, Decision No. 86508, Ordering Paragraph 9, Decision No. 86509, and Ordering Paragraph 8, Decision No. 86510 are amended to read:

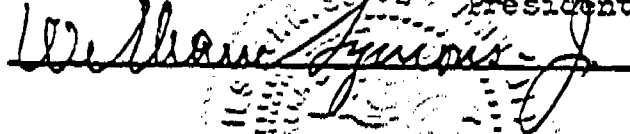

Tariff publications resulting in increases in minimum rates required or authorized to be made by common carriers as a result of this order shall be filed not earlier than the effective date of this order on not less than five days' notice to the Commission and to the public; such tariff publications as are required shall be made effective not later than October 30, 1976; as to increases in minimum rates which are authorized but not required, the authority shall expire unless exercised within sixty days after the effective date of this order; and tariff publications resulting in reductions may be made effective not earlier than the fifth day after the effective date of this order, and may be made effective on not less than five days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order.

2. In all other respects, Decisions Nos. 86507, 86508, 86509, and 86510 shall remain in full force and effect.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 19th day of OCTOBER, 1976.

Commissioners
