ORDER EXTENDING TIME FOR COMPLYING
WITH PROVISIONS OF ORDER IN DECISION NO. 85837

Decision No. 85837, effective June 7, 1976, granted A. B. Allen, an individual doing business as Allen Transportation Co. (Allen), a passenger stage certificate authorizing certain sightseeing operations and denied Allen's request for a certificate to engage in certain other sightseeing operations. The decision gave Allen thirty days after the effective date of the decision to file a written acceptance of the certificate and 120 days to establish authorized service. By written request Allen asks that the time be extended in which to accomplish such actions because the press of other business has kept him from complying with such requirements. No objections to the request, which was served on other parties to the proceeding, have been received.

IT IS ORDERED that the time limits for complying with the requirements set out in Ordering Paragraphs 2(a) and 2(b) of Decision No. 85837 are extended to December 31, 1976.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 19th day of OCTOBER, 1976.
