BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
CALIFORNIA-AMERICAN WATER COMPANY
 for authority to sell surplus real
property

Application No. 56818
 (Filed October 20, 1976)

O R D E R O F D I S M I S S A L

California-American Water Company (Applicant) requests an ex parte order granting authority to sell surplus real property. This real property is a well site abandoned in 1963 and transferred to nonoperating property in July, 1971. It is no longer necessary and useful utility property.

The relief is sought under Sections 851-853 of the Public Utilities Code. Section 851 specifically obviates the need for an application to sell real property, which is not necessary and useful utility property.

As the applicant does not require the authority sought, we will dismiss this application.

O R D E R

IT IS ORDERED that Application No. 56818 is hereby dismissed.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 5th day of JANUARY, 1977.
