

Decision No. 86860

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of WARREN TRUCKING CO., INC., a
California corporation, for a
Certificate of Public Convenience
and Necessity to operate as a
Highway Common Carrier for the
transportation of property in
intrastate and interstate and
foreign commerce.

Application No. 56483

ORDER EXTENDING TIME

Decision No. 86377 dated September 14, 1976 granted a certificate of public convenience and necessity to Warren Trucking Co., Inc. to transport newsprint paper and printing paper used in the publication of newspapers and other printed matter, in flat stock and in rolls, from Los Angeles, Long Beach, and San Diego, and points and places within five miles thereof, to points in Santa Barbara, Ventura, Los Angeles, Orange, San Bernardino, Riverside, Imperial, San Diego, Tulare, Kern, Kings, and San Luis Obispo Counties. Ordering Paragraph 2(b) of the decision required that applicant establish the authorized service and file tariffs with the Commission within 120 days after the effective date of the order.

By letter dated December 14, 1976 and telephone conversation on January 3, 1977, applicant's attorney has advised that his client will seek authority in a separate proceeding to publish less than minimum rates on the same level as its interstate rates for the transportation in issue and requests an extension of time to June 1, 1977 for applicant to comply with Ordering Paragraph 2(b) of Decision No. 86377.

We find that the request is reasonable and conclude that it should be granted. Because the time within which applicant is required to comply with Ordering Paragraph 2(b) has expired, the order which follows will be made effective on the date it is issued.

IT IS ORDERED that:

1. The time within which applicant shall comply with the provisions of Ordering Paragraph 2(b) of Decision No. 86377 is extended to June 1, 1977.
2. In all other respects, Decision No. 86377 shall remain in full force and effect.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 14th day of JANUARY, 1977.
