Application No. 56275

SUPPLEMENTAL OPINION AND ORDER

By Decision 86252, dated August 17, 1976, in Application 56275, the Commission authorized Davey's Locker, Inc., to transfer its Certificate of Public Convenience and Necessity to operate as a vessel common carrier to transport passengers and their baggage between Newport Beach, including Balboa, and Santa Catalina Island, each year on a scheduled basis between April 1 and September 20, and "On-Call" service for the rest of the year.

The transferee, Catalina Passenger Service, Inc., in the application, states that it will provide scheduled service between June 15 and September 15, and "On-Call" service between September 16 and June 14, subject to a minimum of fifty (50) one-way fares between Newport Beach and Santa Catalina Island. Through inadvertence, the Certificate of Public Convenience and Necessity of Davey's Locker, Inc., was transferred without amending the certificate requested by the transferee.

IT IS ORDERED that Appendix A of Decision 86252 is amended by incorporating First Revised Page 1, attached hereto, in revision of Original Page 1.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 15<sup>th</sup>  
day of FEBRUARY, 1977.
