Decision No. 87027

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of TIMOTHY J. CHRISTEN  
for exemption from the provisions  
of Decision No. 86193, and for  
emergency water service from  
Citizens Utilities Company of  
California.

Application No. 57040

ORDER OF MODIFICATION

By Decision No. 86193 dated August 3, 1976 in Application No. 55538 and Case No. 10093 the Commission imposed the following restriction upon Citizens Utilities Company of California, Montara District:

"3. Respondent shall make no new connections until such time as it can demonstrate a sufficient water supply to provide for additional customers without adversely affecting service to existing customers. Respondent shall exempt therefrom all applicants for service having a building permit issued prior to August 3, 1976."

On January 31, 1977, Timothy J. Christen filed the instant application requesting modification of the above order and alleged that on April 19, 1976, the Montara Sanitary District issued him two sewer connecting permits which will expire April 14, 1977; that on April 15, 1976 he applied for two building permits which, except for the restrictions imposed by Decision No. 86193, would have been issued on August 6, 1976; that he believes he is the last one with valid sewer permits outstanding in the Montara Sanitary District; and that it would work an undue hardship upon himself and family if he is unable to obtain water service and commence construction.

After consideration the Commission concludes that the petition should be granted.

IT IS ORDERED that:

1. As an exception to Ordering Paragraph 3 of Decision No. 86193, Citizens Utilities Company of California, Montara District, shall, upon application, provide water service to Timothy J. Christen.
2. In all other respects the provisions of Decision No. 86193 shall remain in full force and effect.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 1<sup>st</sup> day of MARCH, 1977.
