Case No. 5440, OSH 102
(Filed November 4, 1976)

SUPPLEMENTAL OPINION AND ORDER

Decision No. 87371 entered today in Case No. 9811, et al. discontinued that proceeding, rescinded the revision of the period of time from seven to fifteen days during which carriers may extend credit in Minimum Rate Tariff 10 and found that amendment of the tariffs should be accomplished by separate order.

IT IS ORDERED that:

1. Minimum Rate Tariff 10 (Appendix A of Decision No. 44633, as amended) is further amended by incorporating therein, to become effective June 25, 1977, Supplement 24 and Fifth Revised Page 8-C, attached hereto and by this reference made a part hereof.

2. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decisions Nos. 44633, 85573, and 65072, as amended, are authorized to establish in their tariffs the amendments necessary to conform with the further adjustments of said decisions ordered herein.

3. Any provisions currently maintained in common carrier tariffs which are more restrictive than those contained in Minimum Rate Tariff 10 are authorized to be maintained in connection with the changes authorized by Ordering Paragraph 2, hereof.

4. Tariff publications authorized to be made by common carriers as a result of this order shall be filed not earlier than the effective date of this order and may be made effective not earlier than the fifth day after the effective date of this order, and may be made effective on not less than five days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order.

5. Common carriers, in establishing and maintaining the changes authorized by this order, are authorized to depart from the provisions of Section 461.5 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the changes published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

6. In all other respects, Decision No. 44633, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty days after the date hereof.
