Application No. 56922

ORDER EXTENDING TIME

Ordering paragraph 2(b) of Decision 86895 provides:

"Within one hundred and twenty days after the effective date of this order, applicant shall establish the authorized service, and file tariffs, in triplicate, in the Commission's office."

R.M. Zaller, on behalf of Allpoints Distribution Center, Inc., informed the Commission by letter that applicant needed more time to file the warehouse tariff as required by the aforementioned decision. He requested an additional 30 days to comply with said tariff filing requirements.

In the circumstances, the Commission finds that applicant's request is reasonable and justified. A public hearing is not necessary. The Commission concludes that the time for filing the required tariff should be extended as indicated in the ensuing order and the effective date of this order should be the date hereof because an urgency in this matter exists.

IT IS ORDERED that ordering paragraph 2(b) of Decision 86895 is hereby amended to provide that applicant shall establish the authorized service and file tariffs in triplicate in the Commission's office not later than August 1, 1977.
