Application No. 52025

ORDER OF REVOCATION

By Decision 77620, dated August 18, 1970, in Application 52025, United Water Taxi Co. of San Diego was granted a Certificate of Public Convenience and Necessity to operate as a vessel common carrier between the City of San Diego and ships at anchor in San Diego Bay, including the Coronado Roads.

Since December 15, 1973, United Water Taxi Co. of San Diego has had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order 111-B.

On April 7, 1977, the Commission's staff sent a letter by registered mail to the carrier's last known address inquiring into the carrier's alleged discontinued vessel common carrier operations. The carrier was placed on notice to reply to the allegation before April 17, 1977 or the Commission's staff would recommend to the Commission that the carrier's authority be revoked. The registered letter was returned unanswered.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public

interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be canceled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a Vessel Common Carrier authorized by Decision 77620 in Application 52025 is hereby revoked and all effective tariffs and timetables on file with the Commission in the name of United Water Taxi Co. of San Diego are canceled upon the effective date of this order.

The Executive Director shall mail a certified copy of this order to United Water Taxi Co. of San Diego at 1050 North Harbor Drive, San Diego, CA 92101, last known address as shown on the Commission's records.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 28th day of JUNE, 1977.
