(Filed May 12, 1977)

ORDER DENYING REHEARING OF DECISION NO. 87343

A petition for rehearing was filed by Walter V. Hays and the Commission, having considered each and every allegation in said petition, is of the opinion that good cause for granting rehearing has not been shown. The petition for rehearing and this order relate only to the remedy of a mandatory injunction which was requested by the petitioner and rejected by the Commission. The complaint proceeding, Case No. 10330, is of course pending before the Commission and may be set for public hearing.

THEREFORE, IT IS ORDERED that rehearing of Decision No. 87343 is hereby denied.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 6th day of JULY, 1977.
