ORDER DENYING STAY OF RESOLUTION T-9669

On September 1, 1977, the California Interconnect Association filed an application for a stay of the tariffs authorized by Resolution T-9669 and for hearings to be held on the matter. The Commission has considered each and every allegation of that application and is of the opinion that good cause for a stay has not been made to appear:

THEREFORE IT IS ORDERED that the requested stay is hereby denied and all other matters raised by petitioners shall be decided in a subsequent order of this Commission.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 13th day of SEPTEMBER 1977.
