Case No. 10308

ORDER STAYING IMPLEMENTATION
OF A PORTION OF THE ORDER
IN DECISION NO. 87739

On August 16, 1977, we issued Decision No. 87739 in this proceeding and by that Decision we, inter alia, ordered the named respondents' utilities to present comprehensive reports concerning efforts with respect to the hiring or promotion of women and minority employees and provide a complete set of certain described documents. Said reports and documents were to be presented within 45 days of the date of that order.

On September 15, 1977, Pacific Gas and Electric Company (PG&E), and Atchison, Topeka & Santa Fe Railway Company (AT&SF) each filed a petition for a writ of review with the California Supreme Court of our order of April 12, 1977 instituting this investigation, and of Decision No. 87739. PG&E has also requested that the Court stay the implementation of the above described portions of the order in Decision No. 87739 pending resolution of PG&E's petition to determine the legality of that order. At&SF has filed a petition with this Commission requesting a Stay of Decision No. 87739.

In view of the above, we are of the opinion that those portions of the order in Decision No. 87739 requiring the presentation of

reports and documents within 45 days should be temporarily stayed; therefore

IT IS ORDERED that those portions of the order in Decision No. 87739 requiring all respondents to present comprehensive reports concerning efforts with respect to hiring and promoting women and minority employees, etc., and to provide the Commission with copies of all written affirmative action plans, programs, etc., are hereby suspended until further action of the Commission.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 20th day of SEPTEMBER, 1977.
