Application No. 56569

ORDER REINSTATING AUTHORITY

Applicant held authority to assess less than the otherwise applicable minimum rates pursuant to Decision No. 86372 dated September 14, 1976, as amended by Decision No. 86951 dated February 8, 1977, in this proceeding. The authority expired September 14, 1977.

By letter dated September 14, 1977 but received in the Commission on September 20, 1977, applicant requests an extension of the expiration date of the authority. The request alleges that recently the Commission has changed its requirements with respect to Section 3666 applications and it has been impossible to gather the necessary data prior to the above referenced date.

Under the circumstances the Commission concludes that the authority should be reinstated for a six-month period, subject to the requirements set forth in the ensuing order.

IT IS ORDERED that:

1. The authority granted by Decision No. 86372, as amended by Decision No. 86951, in this proceeding is reinstated to expire six months after the effective date of this order.
2. Application for renewal of the authority set forth in the aforementioned decisions shall be filed within sixty days after the effective date of this order.

3. Applicant shall be prepared to proceed to hearing, if necessary, with the filing of the renewal application.

4. In the event the application for renewal is not filed within sixty days as required by Paragraph 2 of this order, the authority set forth in Decision Nos. 86951 and 86372, as reinstated herein, shall be revoked.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 1st day of OCTOBER, 1977.
