ORDER MODIFYING DECISION NO. 87938

By Decision No. 87938, signed on October 4, 1977, the Commission granted Air California a general fare increase.

It has come to the Commission's attention that page 1 of Appendix B contains certain errors. Accordingly, Appendix B, (page 1) of Decision 87938 is amended to read as shown in the attachment hereto.

The further increases authorized by the amended Appendix attached hereto will not substantially affect the carrier's operating ratio due to the relatively small markets involved.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 12<sup>th</sup> day of OCTOBER, 1977.
